PRAYER

Heavenly Father and Mother, we pray for the immigrant families, those who have built their lives outside of their homeland; those who had to run from their cities, leave their homes, and their environments because of death threats, dangers, natural disasters, or for better economic opportunities because they could not see another possibility, because they had no other possibility. Help us to show the utopia of the Gospel so it becomes real for them in our community. Amen.

COMMUNION

COMMUNAL PRAYER

Heavenly Father and Mother, let us be the table that receives all ethnic groups, races, languages, cultures, and families. Let us be the banquet that receives those who have been excluded so we may all be invited to sit down and share with Jesus. Let us be the place of protection, place of peace, of food, of fostering, of family, cities of refuge and care. A place for everyone. Amen.
