PRAYERS OF THE PEOPLE

COMMUNAL PRAYER

**Every week, we proclaim that God made all people in the Divine image. Too often, we have supported policies, practices, and language which deny that our neighbors were made in God's image—too often, we have been involved in denying the humanity of the children of God. Faith without works is dead. Confession and apologies without changed lives and meaningful action are empty. Stir us up to work for justice in our lives, in our community, and in our nation. Strengthen us to speak the truth. Grounded in prayer and Scripture, help us to show the world the healing power of love and reconciliation. Amen.**
